This is our largest, most impressive space. Its walls are lined with rustic wine boxes filled to the brim with bottles. Our hand-crafted furniture can be moved to suit a range of events.

## ● BALTHAZAR

Smaller than his older brother Melchior, Balthazar is the perfect space for a more intimate occasion. Upstairs under the arches, and flooded with natural light, this is the most recent room we have created and provides the perfect space for a special wine tasting.
